**Muddy Church is a place for people of all ages to gather together, outside and to connect with God and the space. A fun and engaging place, enjoying creation, nature and being together.**

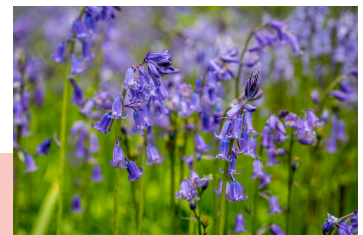

This month we would like to welcome you back to the wonderful community wood at Waingroves. The woods are bursting into life and we will be reflecting on nature's winter hibernation and waiting, and spring's new life; as we look at what Lent and the Easter Story mean to us.

The team will provide hot and cold drinks, and light snacks (please bring a reusable cup for hot drinks)

The team will be wearing hi-vis jackets. to help you know who they are.

The beauty of Muddy Church is nature and, with that, unpredictability; please come prepared for the weather and wear sturdy shoes.

Children must be supervised by a responsible adult at all times. Waingroves woods may be full of nesting birds and it is essential that we respect the space by keeping Dogs on leads and sticking to the paths.

**Address:** Waingroves Community Woods: Pit Lane, Waingroves, Ripley

**Parking:** Please be careful as you access Waingroves Wood via Queens Street or Pit Lane; roads are narrow and there are some potholes. A gate will be open for our event to allow us to park onsite. Please drive to the top of the road and filter down.

If you are within walking distance please allow parking for those who are not local. You may also park at Waingroves Church and walk down if you wish.

**Facilities:** These are beautiful community woods; a loo will be available but no baby change facility.
